

# ***In God's Timing***

***"For necessity is laid upon me; yea, woe is unto me, if I preach not the gospel!" – 1 Cor. 9:16b***

## ***06 Christmas – A Time of Direction***

During this time God gave me the opportunity to seek wise counsel from my church board at Richfield Bible Church. I praise God for this counsel so very much.

While at Frontier School of the Bible God provided an opportunity for a short term missions trip during the summer of 2005 with One-Way Evangelistic Ministries (One-Way). I kept in touch with Jerry Singh the director of One-Way.

Throughout all this I saw a growing interest in Jerry & Kathy Singh for how God was working through my life. And during the Christmas of 2006 God lead me into the idea of interning under John Cook, a missionary with One-Way.

I shared this idea with my Pastor and later with my Dad. They both confirmed this direction from the Lord.

## ***07 Spring – A Time of Planning***

*Be open to wherever God directs. Isa. 6:8*

I approached Jerry about God's direction and he confirmed this also, because they had been praying about an assistant to serve with John Cook. God confirmed this open door once again when my parents gave their blessing.

Jerry, Kathy, Daniel, Rebekah, and Daniel Singh in Guyana

I will be coming on board as a missionary with One-Way sometime in late August Lord willing, as a result of serving in Guyana I will also be fulfilling the internship requirements of Frontier School of the Bible. Wow God is magnificent.

Each step God has continued to open the door a little farther. *God's Timing moves on.*

## ***07 Summer - A Time of Going***

Thank you for your prayers, and financial support while I was in Guyana, South America during June 5<sup>th</sup> – 19<sup>th</sup>. I learned much while on this trip; culture, how my body reacts to the environment, and saw many people excited to be serving Christ.

Please pray for God's direction, as Lord willing, I will return to Guyana late August for at least 8 months with One Way Evangelistic Ministries, ministering there with John Cook.

## ***07 Fall - A Time of Growing***

During my time in Guyana, tentative plans are the following:

- Immediate Supervisor: OWEM Missionary, John Cook
- Meet Frontier School of the Bible requirements for internship
- Serving under and accountable to John Cook
- Involvement in discipleship, training, and evangelism programs
- Assisting the Association of Bible Churches in youth ministry program

Pastor John Persaud, one whom we may be working closer with in Edinburg, Guyana

## ***Today - A Time of Praying***

• Please pray that I would be humble in service for Christ and grow in leaps and bounds. Also please pray for God's leading; if He would have me stay in Guyana beyond the 8 months.

• Preparation in my heart for the mission field of Guyana, that I will minister, learn, and grow in the Lord.

• Providing many opportunities for deputation during this summer.

• That God would raise up prayer and financial support according to His will and timing.

John Cook, Coworker & Supervisor
